

Welcome

KBS 2015 - 41st Annual Alcohol Epidemiology Symposium of the Kettil Bruun Society in Munich, June 1-5, 2015

Final Program

June 1, 2015

Timetable Pre-Symposium Workshops/Meetings

Time	Saturday May 30	Sunday May 31			
	Room A201 Library	Room A201 Library	Room A301 Alzheimer room	Room A325	Room A322
9:00	9:30 – 17:00	9:30 – 17:00			
10:00			10:00 – 13:00		
11:00	International	International	GENACIS- H2O		
12:00	Alcohol Control	Alcohol Control	Chair: Tom Greenfield		
13:00	Study (IAC)	Study (IAC)			
14:00				14:00-16:00	
15:00				Gambling Policy Book Chair: Michael Egerer	
16:00	Chair:	Chair:			16:00 – 19:00
17:00	Taisia Huckle	Taisia Huckle			CoCom Meeting
18:00					Chair:
19:00					Kim Bloomfield

- **GENACIS-IGSAHO HTO workshop**, Tuesday, June 2, 17:30-19:30, Room 201 (Library)
- **Comparative studies on treatment systems and system policies**, Tuesday, June 2, 17:30-19:30, Room 301 (Alzheimer room)

Monday: 9:00-10:30 Lecture Hall

Topic	Chair	Discussant	Title of presentation	Presenter
Opening			Welcoming by the hosts	Oliver Pogarell Ludwig Kraus
			Opening Greeting, Drug Commissioner of the Federal Government	Marlene Mortler
			Tribute to Ludek Kubicka	Kim Bloomfield
Controlled Drinking: Current Debates in the Field	Oliver Pogarell	Tim Stockwell	Alcoholism, treatment, and public health: From abstinence fixation to person-centered care	Joachim Körkel
			(Controlled) drinking like a Pole? Perception of non-abstinence outcomes among Polish treatment providers	Justyna Klingemann
		Jessica Storbjörk	Changing patient spectrum, different treatment strategies?	Marcus Gertzen

Coffee break: 10:30-11:00

Monday: 11:00-12:30

	Topic	Chair	Discussant	Title of presentation	Presenter
Lecture Hall	Alcohol-attributable Morbidity & Mortality	Jason Ferris	Ellen Johanna Amundsen	Alcohol as a carcinogen: Public awareness & policy implications	Norman Giesbrecht
				Mortality from prostate cancer and alcohol consumption: A meta-analysis	Jinhui Zhao
			Simon Moore	The dynamic association between longitudinal trajectories of alcohol intake and risk of coronary heart disease, cardiovascular disease and all-cause mortality in Great Britain: Evidence from 9 prospective cohort studies	Steven Bell
				A trend of alcohol attributable morbidity over 10 years in Korea	Kwang Kee Kim
Alzheimer room (A301)	Youth Drinking	Janne Härkönen	Jennifer Merrill	University student drinking and adverse events: A bi-national comparison	Robert Saltz
				Prevalence and factors associated with alcohol use among underage high-school students in Murang'a and Kajiado Counties, Kenya	Patrick Okwarah
			Michele Contel	Alcohol use among youth with chronic medical conditions	Elissa Weitzman
				Personality traits as predictors of substance abuse among youths in Abeokuta	Olujide Adekeye
Library (A201)	Drinking Culture	Etienne Maffli	Martin Stafström	Come on, have a drink - prevalence and correlates of social pressure to drink more	Pia Mäkelä
				The influences on the characteristics of drinking occasions in the United Kingdom	Melanie Lovatt
			Kim Bloomfield	Understanding variation in alcohol consumption estimates: A comparison of sub-group specific alcohol consumption distributions across four English population based surveys	Jessica Li
				Drinking and culture: Looking below the culture as a whole	Robin Room
A024/025	Outlet Density and Availability	Jonas Lanberg	Esa Österberg	The changing face of alcohol availability in Great Britain: An analysis of trends in outlet types and density between 2003-2014	Colin Angus
				Introducing a gravity potential measure of alcohol availability	William Alex Pridemore
			Claire Wilkinson	Alcohol sales to underage buyers in supermarkets, Can the use of age verification devices increase sellers' compliance?	Ruud Roodbeen

Lunch break: 12:30-14:00

Monday: 14:00-15:30

	Topic	Chair	Discussant	Title of presentation	Presenter
Lecture Hall	Legislation	Robert Parker	Kypros Kypri	Ban of Alcohol Sales and its effect on the drinking habit of staff in a College of Education in Southern Nigeria	Olufunke Chenube
				Partial ban on alcohol advertising and alcohol consumption in Thailand	Kittipong Rueanthip
			Kirsimarja Raitasalo	Political aspects in the legislative process of the first Thai Alcohol Control Act	Bundit Sornpaisarn
Alzheimer room (A301)	Youth Drinking	Dike Van de Mheen	Johan Svensson	Evidence and expert judgement in setting guidelines on health behaviours: The need for transparent values and bounded uncertainty	John Holmes
				Alcohol consequences in their own words: A qualitative examination among young adult drinkers	Jennifer Merrill
			Jenni Simonen	At-risk behaviors, drinking, drug use and related consequences among university students completing study abroad experiences: A systematic review	Giovanni Aresi
				Alcohol consumption among university students: Developing a taxonomy of consumption to aid the tailoring of effective public health policy	Martin Davoren
Library (A201)	Harm to Others	Nina Karlsson	Florence Kerr-Correa	An examination of the clustering of alcohol's harm to others: Patterns and correlates	Lucy Gell
				Onset of harm from others' drinking - findings from a one-year follow-up study in Sweden	Erica Sundin
			Jonas Landberg	A multi-country study of harms to children because of others' drinking	Anne-Marie Laslett
A024/025	Poly Substance Use	Claire Wilkinson	Lauren Kaplan	An analysis of the formative phase of and data generated by a multisite, poly-substance use study in Cape Town, South Africa	Nadine Harker Burnhams and Simon Howell
				Concurrent polydrug use among alcohol users in Kenya: Patterns, correlates and consequences	Morris Kamenderi
			Elena Gomes de Matos	Multiple substance use including alcohol among patients attending treatment for substance-related problems in Switzerland	Etienne Maffli
				Prevalence and trends of polydrug use in Finland	Karoliina Karjalainen
A325	Pregnancy	Ann Hope	Maria Lima	Risk factors for alcohol use during pregnancy in Cape Town, South Africa	Petal Petersen Williams
				Trendsetters or laggards? Changes in smoking habits among pregnant women	Therese Reitan
			Franca Beccaria	Alcohol consumption among partners of pregnant women in Sweden	Hjördis Högberg

Coffee break: 15:30-16:00

Monday: 16:00-17:30

	Topic	Chair	Discussant	Title of presentation	Presenter
Lecture Hall	Product Placement & Advertisement	Taisia Huckle	Jonathan Noel	Alcohol advertising in sport and non-sport TV in Australia, during children's viewing times	Kypros Kypri
				A systematic investigation of marketing strategies used by alcohol brands and alcohol-related health promotion on Facebook and Twitter	Paul Dietze
			Neo Morojele	Alcohol product placement on online social media in Thailand	Jantima Kheokao
Alzheimer room (A301)	Youth and Family	Cecilia Mattisson	Olufunke Chenube	Work demands overshadow family obligations among parents of preschoolers: What effect on alcohol use?	Sandra Kuntsche
				Alcohol consumption: Does the apple fall far from the tree?	Derry O'Donovan
			Ruud Roodbeen	Trusting or misleading? Parents' and children's interaction around alcohol issues described by adolescents	Jenni Simonen
				Risk and timing of family separation among families with parental substance misuse and their association with adolescents? symptoms	Marke Jääskeläinen
Library (A201)	Neighborhood and Geography	Franca Beccaria	Ulrike Grittner	Neighbourhood profiles and adolescent alcohol use	Nicki Jackson
				Alcohol outlets, social disorganization, and robberies: Accounting for neighborhood characteristics and alcohol outlet types	Aleksandra Snowden
			Catherine Paradis	Principals' reports of adults' alcohol use in Australian secondary schools	Bernadette Ward
A024/025	Abstinence & Intervention	Michael Egerer	Susannah Sadler	No Alcohol during Buddhist Lent: An evaluation of community-based interventions under a national campaign	Noppol Witvorapong
				We are not powerless: A communal approach to college based alcohol preventions	Adrienne Sulma
			Lars Fynbo	Hello Sunday Morning: A content analysis of blog data provided by Victorians who have committed to a three-month period of abstinence from alcohol	Amy Pennay
				Challenges of planning alcohol research in a non-drinking culture: Turkish example	Perihan Torun
A325	Screening & Intervention	Petra Meier	Gert-Jan Meerkkerk	Challenges and opportunities in alcohol screening and brief interventions in new settings	Niamh Fitzgerald
				Alcohol screening in health care settings: How the public view it?	Ann Hope
			Dike Van de Meen	Meta-analysis on the effectiveness of alcohol screening and brief interventions for patients in emergency care settings	Bernd Schulte

Welcome Reception

18:00-20:00 Old Town Hall Munich, Marienplatz 15

Tuesday: 9:00-10:30 Lecture Hall

Topic	Chair	Discussant	Title of presentation	Presenter
What is Addiction? Emerging Perceptions & Definition	Robin Room	Tom Greenfield	Redefinition of alcohol addiction as heavy drinking over time: Implications for brief interventions and treatment	Jürgen Rehm
			Prevalence of substance use: A question of definition?	Ludwig Kraus
		John Cunningham	Addiction and the mechanisms of medicalization	Anders Bergmark
			Internet addiction - the making of a new addiction	Karin Bergmark

Coffee break: 10:30-11:00

Tuesday: 11:00-12:30

	Topic	Chair	Discussant	Title of presentation	Presenter
Lecture Hall	Drinking Culture	Kypros Kypri	Jonas Raninen	How do drinking cultures change? - Evidence of transitions in Denmark	Ulrike Grittner
			Jukka Törrönen	The more you know, the better you drink. The renewed drinking culture in Italian wine production areas.	Franca Beccaria
				Consumption of wine with meals: A Finnish Study on negative and positive outcomes	Atte Oksanen
Alzheimer room (A301)	Age Limits & Age of First Use	Gert-Jan Meerkerk	Michael Livingston	Assessing the impacts Saskatchewan's minimum alcohol-pricing legislation on crime	Tim Stockwell
			Sandra Kuntsche	Increased age limits for the sale of alcohol in the Netherlands, the effects on compliance of Dutch alcohol sellers	Ruud Roodbeen
Library (A201)	Youth Drinking	Pia Mäkelä	Ina Koning	Substance and non-substance addictive behaviours among Warsaw students	Agnieszka Pisarska
				Early drinking habits in a sample of young Italian adolescents (12-14 years)	Michele Contel
			Robert Saltz	Sport lovers, do they drink more?	Nongnuch Jaichuen
A024/025	School, Parents & Youth	Elena Gomes de Matos	Martin Davoren	Alcohol, tobacco and marijuana use at school: Individual characteristics and the school environment	Bettina Friese
				The influence of school environment on Swedish adolescent alcohol use	Martin Stafström
			Marke Jääskeläinen	The influence of parents' alcohol drinking habit on in-school adolescents present and future drinking	Olufunke Chenube
				Alcohol Expectancies among Preschoolers	Emmanuel Kuntsche
A325	Special Occupational Groups	Irmgard Vogt	Jacek Moskalewicz	Does use of alcohol relate to nurses' rank in alcohol tolerating and alcohol non tolerating societies? - A case controlled study	Mufutau Yunusa
				Not from a book – social workers understanding of alcohol	Wulf Livingston
			Zsuzsanna Elekes	Alcohol use and motivations among U.S. military veteran couples	Cynthia Mohr
				Deployment, Military Rank, and Binge Drinking in U.S. Active Duty and Reserve/National Guard Servicewomen	Brenda Booth

Lunch break: 12:30-14:00

Tuesday: 14:00-15:30

	Topic	Chair	Discussant	Title of presentation	Presenter
Lecture Hall	Policy	Tim Stockwell	Norman Giesbrecht	Microsimulation modelling to estimate the future health and cost burden of alcohol consumption in England to 2025	Lise Retat
				Some Country-level Correlates of the Consequences of Alcohol Consumption	Giora Rahav
			Taisia Huckle	Alcohol attributable fraction for injury morbidity from the dose-response relationship of acute alcohol consumption: Emergency department data from 18 countries	Cheryl Cherpitel
				Alcohol use among fatally injured victims in Sao Paulo, Brazil: Bridging the gap between research and health services to deter alcohol-related deaths in developing countries.	Gabriel Andreuccetti
Alzheimer room (A301)	Age, Period & Cohorts	Jürgen Rehm	Sebastian-Edgar Baumeister	Mortality in alcohol use disorder in the Lundby Community Cohort-A 50 year follow-up	Cecilia Mattisson
				Clustering health behaviours in two British birth cohort studies	Claire Mawditt
			Mats Ramstedt	Decreasing underage drinking: No evidence for continuation in future adult cohorts. An APC-analysis of adolescent drinking in Finland, 1981-2013	Janne Härkönen
				Understanding trends in Australian alcohol consumption - an age, period, cohort model	Michael Livingston
Library (A201)	Theoretical considerations	John Cunningham	Robin Room	Substance use framed as situational action	Nina-Katri Gustafsson
				The relation with the substances. Epistemic differences in Alcohol and Drugs Studies.	Enrico Petrilli
			Anders Bergmark	Facing clients' excessive appetites: Social work ideologies in four German social offices	Michael Egerer
				Higher alcohol vulnerability in women - a classical Simpson's paradox?	Alfred Uhl
A024/025	Youth Drinking	Ulrike Grittner	Temitayo Adewuyi	Experiences of collecting data for African School Survey Project on Alcohol and other Drugs (ASPAD)	Salme Ahlström
			Julian Maron	Socio-economic status and young people's drinking behaviour and alcohol related harm	Thor Norström
				Implicit parenting and adolescent alcohol use	Ina Koning
A325	Special Substances	Kirsimarja Raitasalo	Roland Simon	Opium Addiction in Arunachal Pradesh Understanding the Socio-Cultural Domains	Kalyan Ganguly
				Are all crack users the same? An Ethnographic Study in Mexico City	Guillermina Natera
			John Mooney	Regulation in the name of what? Lifestyle regulation and the case of e-cigarettes	Jenny Cisneros Örnberg
				Assessment of herbal gin use and dependence in sub-urban Nigerian communities	Gboyega Abikoye

Coffee break: 15:30-16:00

Tuesday: 16:00-17:30

	Topic	Chair	Discussant	Title of presentation	Presenter
Lecture Hall	Youth & Intoxication	Thor Norström	Florian Labhart	Normalization theory or the multiple risk factor model: Which better describe temporal changes in adolescent drunkenness?	Sharon Sznitman
				Big night of boozing: Investigating event-level relationships between young people's high-risk alcohol consumption and experience of harm	Rebecca Jenkinson
			Bernd Schulte	Long-term outcomes in young adults with a history of adolescent alcohol-related in-patient treatment for alcohol intoxication	Ulrich Zimmermann
Alzheimer room (A301)	Vulnerable & Special Populations	Justyna Klingemann	Yusuf Ransome	Sick, criminal, poor or only adolescent? Addictive behaviours in the Hungarian media	Zsuzsanna Elekes
				Addiction – a non-medical concept of social control	Pekka Sulkunen
			Brenda A Miller	Substance use among Dutch homeless people, a follow-up study: Prevalence, pattern and housing status	Dike van de Mheen
Library (A201)	Motives & Sensation Seeking	Eva Samuelsson	Emmanuel Kuntsche	The motives of drinking and their connection to intoxication: How drinking is justified in Finland in the 2000s?	Jukka Törrönen
				Drinking motives moderate the effect of the social environment on alcohol use: An event-level study among young adults	Koen Smit
			Elissa Weitzman	Perceived social support moderates the association between sensation seeking and alcohol use	Joseph Studer
A024/025	Drinking & Driving	Michael Livingston	Nina-Katri Gustafsson	Results of a randomized trial of web-based RBS training: WayTo-Sell&Serve	Gill Woodall
				Understanding women's drink driving behaviour	Kerry Armstrong
			Jenny Cisneros Örnberg	An examination of Random Breath Testing and alcohol-related traffic crash rates in Australia: 2000-2012	Jason Ferris
A325	Treatment	Allaman Allamani	Annie Britton	Exploring the high prevalence of co-occurring alcohol and mental health disorders in treatment: What treatment and for whom?	John Cunningham
				This treatment can really help me - A longitudinal analysis of treatment readiness and its predictors in patients undergoing alcohol and drug rehabilitation treatment	Daniela Piontek

Joint GENACIS and IGSAHO workshop: focusing on alcohol's harm to others

 17:30-19:30, 2nd floor – Library (A201)

Treatment Systems Workshop: Comparative studies on treatment systems and system policies

 17:30-19:30, 3rd floor – Alzheimer room (A301)

Wednesday: 9:00-10:30 Lecture Hall

Topic	Chair	Discussant	Title of Presentation	Presenter
International Experience with Harm Reduction	Daniela Piontek	Kypros Kypri	Harm reduction for cannabis and alcohol in the EU: Where similarities start and where they end?	Roland Simon
			Wet places, harm reduction and politics	Harald Klingemann
		Henk Garretsen	Canada's national alcohol strategy: Time to evaluate!	Catherine Paradis
			Forecasting the impact of the evidence-based alcohol policies on alcohol consumption and alcohol-related harm	Allaman Allamani

Coffee break: 10:30-11:00

Wednesday: 11:00-12:30

	Topic	Chair	Discussant	Title of presentation	Presenter
Lecture Hall	Population Parameters	Erica Sundin	Cecilia Mattisson	To drink or not to drink - on the association between rates of abstinence and per drinker mean alcohol consumption in a population	Jonas Raninen
				Does a change over all equal a change in all? Testing for polarized alcohol use within and across educational levels in Germany	Elena Gomes de Matos
			Alfred Uhl	Life course drinking typologies and precursors: Evidence from 11 prospective cohort studies	Annie Britton
				Onset of alcohol use disorders versus onset of other common mental disorders	Jacek Moskalewicz
Alzheimer room (A301)	Influence on Youth Drinking	Ellen J. Amundsen	Allaman Allamani	How do alcohol advertisements appeal to minors? A content analysis in nine European countries	Anu Katainen
				Evaluation of alcohol advertising during the 2014 World Cup Tournament	Thomas Babor
			Florence Omumu	Peer influence on alcohol consumption and cigarette smoking among undergraduates	Temitayo Adewuyi
				I drink with my girlfriends and then it's different because you can talk and relax	Birgitta Ander
Library (A201)	Womens' Drinking	John Holmes	Ann Hope	Women and alcohol-related problems: Treatment recommendations according to the German S3-guidelines	Irmgard Vogt
				Beliefs and perceptions of alcohol use by women in Cape Verde: A qualitative study in Achada Fazenda	Maria Lima
A024/025	Treatment & Relapse	Anne-Marie Laslett	Marcus Gertzen	The process of recovery from problems underlying AOD addiction: Treatment support and its role in the process of chaining practices	Inger Robertson
				Youth with alcohol and other drug disorders: Factors associated with treatment utilization	Teresa Kramer
			Gillian Shorter	Determinants of relapse using a four-dimensional framework of recovery	Gert-Jan Meerkerk

Wednesday: Afternoon

Social Tours

Sightseeing Tour Lake Chiemsee including Herreninsel with the Royal Palace and Fraueninsel (guided tour by bus and boat), 13:00 – 21:00
Departure: Nußbaumstrasse, in front of the venue.

Munich Sightseeing Tour (Grand Circle Tour) including Nymphenburg Palace and Olympic Park (guided tour by bus), 14:00 – 18:00
Departure: Nußbaumstrasse, in front of the venue.

Munich Residence and guided tour through the picturesque historic city center (guided walking tour), 14:00 – 18:00
Meeting point: Max-Joseph-Platz, statue of the Bavarian king Max I Joseph in front of the Opera.

Dachau Concentration Camp Memorial (guided tour by bus), 14:00 – 18:00
Departure: Nußbaumstrasse, in front of the venue.

Thursday: 9:00-10:30 Lecture Hall

Topic	Chair	Discussant	Title of Presentation	Presenter
Out of Africa: Developing Concerns & Developing Research	Kim Bloomfield	Pia Mäkelä	The influence of industry actions on the availability of alcoholic beverages in the African Region	Katherine Robaina
			Examining geospatial features of alcohol advertisements across four slums in Kampala, Uganda: Developing an environmental scan protocol	Monica Swahn
		Paul Dietze	Commercial cyclists (okada riders) and alcohol related problems in Delta State, Nigeria	Florence Omumu
			How strong is the relationship between alcohol consumption and injury among commercial Motorcycle riders? Evidence from a matched case control study in Kampala	Nazarius Mbona Tumwesigye

Coffee break: 10:30-11:00

Thursday: 11:00-12:30

	Topic	Chair	Discussant	Title of presentation	Presenter
Lecture Hall	Gradients in space and time	Esa Österberg	Jessica Li	What factors explain socioeconomic inequalities in alcohol-related hospitalizations? A prospective cohort study	Jonas Landberg
				Early parental supply of alcohol and alcohol consumption in mid-adolescence: A longitudinal cohort study over four high school years	Richard Mattick
			Thomas Babor	Gender differences in the effectiveness of alcohol policies: A modelling study	Petra Meier
Alzheimer room (A301)	Inequalities	Emmanuel Kuntsche	Justyna Klingemann	Comparing health condition-specific socioeconomic gradients in alcohol-related harm between the four UK countries	Susannah Sadler
				How inequalities in tobacco and alcohol consumption might modify the effects of public health action: A modelling case study of head, neck and oesophageal cancer	Duncan Gillespie
			John Holmes	Explaining racial inequalities in the association between alcohol use disorders and quality of life physical health among women: When the usual suspects don't predict	Yusuf Ransome
				Differences in substance use by occupational situation among adults in Germany	Julian Maron
Library (A201)	Health Outcomes	William Alex Pridemore	Lise Retat	Alcohol involvement in sexual behaviour and adverse sexual health outcomes in early middle age	Jennie Connor
				Alcohol use to facilitate a suicide attempt: Relations with proximal suicide premeditation and intent	Courtney Bagge
			Jinhui Zhao	Health benefits from moderate drinking: A critical review	Tim Stockwell
				Light to moderate alcohol consumption is associated with lower risk of aortic valve sclerosis - the Study of Health in Pomerania (SHIP)	Sebastian-Edgar Baumeister
A024/025	Service Use	Jenny Cisneros Örnberg	Penny Buykx	Negotiating service user involvement in practice: Strategies among service users and care providers in substance abuse treatment	Eva Samuelsson
				Service user involvement in practice: Study design, characteristics of substance users and care providers, involvement and outcomes	Jessica Storbjörk
			Chantele Joordens	Health and welfare service use prior to entering an episode of alcohol treatment: How can we improve the pathway to care?	Lynda Berends
				Administrative integration: Neither sufficient, nor necessary for good services Experiences from a reform of mental health care and substance abuse treatment (SUT) in Finland	Kristiina Kuussaari

Lunch break: 12:30-14:00

Thursday: 14:00-15:30

	Topic	Chair	Discussant	Title of presentation	Presenter
Lecture Hall	Policy	Therese Reitan	Thomas Clausen	Participation and representation in liquor licensing: Victoria's former "dry" areas and licensing reform in the mid-1950s	Claire Wilkinson
				Cider up to 4.7 per cent alcohol by volume into grocery stores in Finland in 1995	Esa Österberg
			Jason Ferris	Preventing increases in alcohol affordability: Identifying an appropriate mechanism for uprating excise duty over time	Alan Brennan
				Alcohol affordability, per-capita consumption and mortality in Korea, 2000-2013	Kwang Kee Kim
Alzheimer room (A301)	Policy	Jonas Landberg	Thor Norström	Investigating local policy drivers for alcohol harm prevention: a comparative case study of two local authorities in England	John Mooney
				Somebody should do something: Local government officials' perceptions of opportunities and barriers to implementing alcohol policy changes at municipal level in Estonia	Riina Raudne
			Gabriel Andreuccetti	Can a label help me drink more responsibly? A review of the evidence on standard drink labelling	Ashley Wettlaufer
				Promoting evidence based working in alcohol prevention and policy. Lessons learned from structural collaborations between stakeholders involved	Henk Garretsen
Library (A201)	Clubs and Risk Behaviour	Jonas Raninen	Karin Bergmark	How about the unsaid? Reflections on qualitative interviews with heavy consumers of alcohol and other drugs	Lars Fynbo
				Alcohol consumption and gambling among Swedish adolescents - do those who gamble drink more?	Johan Svensson
			Etienne Maffli	Club patrons overuse of alcohol and use of drugs: Identifying observable predictors	Brenda A Miller
				Partying last weekend: Factors related to binge-drinking among people who use club drugs	Kate Vallance
A024/024	Minority Populations	Sandra Kuntsche	Janne Härkönen	Associations between viewers? Membership in a vulnerable population and alcohol ad perception	Jonathan Noel
				Disparities in alcohol use patterns and associated problems among American Indians and Alaskan Natives (AI/ANs) in the US: Three National Alcohol Surveys 2000-2010	Thomas Greenfield
	Robert Parker		An Examination of the Associations between Sexual Victimization, Injunctive Drinking Norms, and Alcohol's Harm from Others in the 2010 US National Alcohol Survey	Lauren Kaplan	
			All-Wales licensed premises intervention (AWLPI): A randomised controlled trial of an intervention to reduce alcohol-related violence	Simon Moore	
A325	Measurements & Methods	Nina-Katri Gustafsson	Jantima Kheokao	A step ahead: Development and evaluation of a cell phone application for collecting event-level data on young adults' urban nightlife behaviors	Florian Labhart
				Measuring alcohol exposure by means of the electronic appropriate beverage task? A validation study among 4- to 8-year olds in the Netherlands	Carmen Voogt
			Morris Kamenderi	Measuring alcohol consumption by wastewater analysis	Ellen Johanna Amundsen

Coffee break: 15:30-16:00

Thursday: 16:00-17:30

	Topic	Chair	Discussant	Title of presentation	Presenter
Lecture Hall	Policy	Nazarius Mbona Tumwesigye	Kittipong Rueanthip & Bank Ngamarunchot	A taxonomy of alcohol harm countermeasures	Kypros Kypri
				Changing response to underage drinking in Finland: Parenting practices and alcohol policies	Kirsimarja Raitasalo
			Colin Angus	Scottish female heavy drinkers; is the UK definition of 'harmful' consumption fit for purpose?	Jan Gill
Alzheimer room (A301)	Harm to Others	Colin Angus	Anne-Marie Laslett	Harm from drinking of family and friends - a Nordic comparative study	Mats Ramstedt
				Harm to others by people under the influence of alcohol in São Paulo City, Brazil: Preliminary results	Florence Kerr-Correa
			Erica Sundin	Alcohol consumption at any level increases risk of injury caused by others, WHO-SAGE data	Thomas Clausen
Library (A201)	Treatment	Paul Dietze	Inger Robertson	Estimating specialist alcohol treatment provision in England	Penny Buykx
				Evidence based planning of alcohol and other drug treatment services in British Columbia (BC)	Chantele Joordens
			Eva Samuelsson	Relational recovery: experiences with alcohol and drug treatment from the dual perspective of patient and family member	Anne Schanche Selbekk

3rd KBS Football Game

17:30-18:30 Kypros Kypri and Tim Stockwell

Conference Dinner

19:00 Münchner Künstlerhaus, Lenbachplatz 8, 80333 München

Friday: 9:00-10:30 Lecture Hall

Topic	Chair	Discussant	Title of Presentation	Presenter
Results from the International Alcohol Control Study	Thomas Babor	Nazarius Mbona Tumwesigye	Alcohol marketing and adolescent alcohol consumption: Results from the International Alcohol Control (IAC) study: South Africa	Neo Morojele
			International Alcohol Control (IAC) Study in Thailand: Differential acquiring, purchasing and drinking of alcohol across drinker types	Surasak Chaiyasong
		Petra Meier	Challenges experienced while conducting the International Alcohol Control Study (IAC) in Tshwane, South Africa	Elmarie Nel
			International Alcohol Control Study: Alcohol consumption in Vietnam	Cuong V. Pham

Farewell and Auf Wiedersehen**Coffee break: 10:30-11:00**

KBS Business meeting (all registered KBS members invited): 11:00-12:30 Lecture Hall
--
